

**Model No.
SDV35M-NF**

**3300-3800MHz Planar
Antennas**

- Low Profile **Outdoor** directional WiMAX Planar Antenna
- Covers full 3.5GHz WiMAX band from 3300-3800MHz
- Sleek, Compact Design (Only 25mm (1.0”) thick)
- Designed for simple installation - Weatherproof
- Installation ready with terminated cable tail feed.

Electrical Specifications

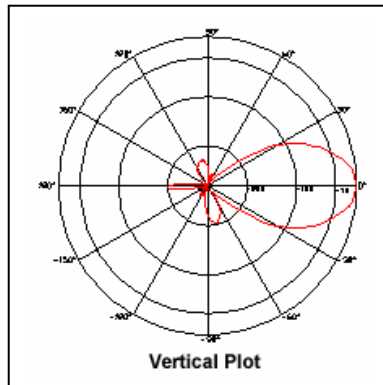

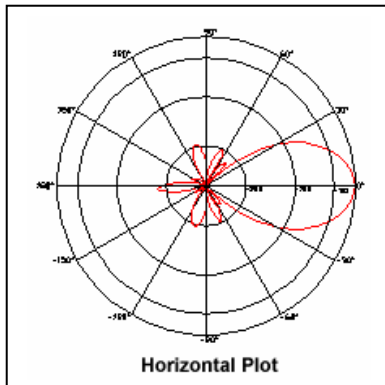

Operation Frequency	3300-3800 MHz
3dB Azimuth Beamwidth	30°
Elevation Beamwidth	26°
Gain (Full Co-polar gain)	19dBi
VSWR	1.5:1
Polarization	Vertical
Max Power	50w
RF Terminations	300mm (12”) RG58 Cable w/ N-Type Female

Mechanical Specifications

Antenna Dimensions (LxWxD)	305 x 305 x 25mm (12.0 x 12.0 x 1.0 inches)
Antenna Weight	1250 g (2.8 lbs)
Radome Material	UV Protected ABS
Color	WiComm White (Matt off-white)
Hardware (Mount) Material	Wall Mount (Incl. Hardware)

Mounting Options

Wall Mount Kit	Included
